Recommended Skills for Students

Q: What skills should we work on at home?

A: Start with the *Beginner Skills for All Students* below. The *Intermediate Skills* can be your next steps once students have mastered the basics.

Beginner Skills for All Students

- Power off and on
- Unlock the device (if needed)
- Adjust the volume up / down / mute
- Select Wi-Fi network
- Log in to school network
- Plug in headphones
- Open a web browser (like Safari or Chrome) to access the Internet

Intermediate Skills

- Set reminders or alerts
- Take a photo
- Take a screen shot
- Access the calendar and create a new event
